Sexual Assault Report Anonymously

Sexual Assault Report Anonymously (SARA) is for those wanting to report sexual assault or sexual harassment. For anyone, anywhere in Australia, any time. The information you provide to SARA will be passed on to Police to help them identify trends and make our communities safer.

The South Eastern Centre Against Sexual Assault & Family Violence (SECASA) provides services to children and adults, both female and male, who have been sexually or physically assaulted. The Centre also works with non-offending family members, partners, caregivers and support workers.
